Fyi.

Given the below, all I need from you when you can is a utility bill showing your name and home address. Freshfields went on my say-so for now but would like it for their records.

Best,

Hi Menachem,

By way of introduction, I am assisting Anna on the company formation.

This is just to let you know that, in relation to the last line of each of sections 11 and 13, the company formation service put an "X" after "IS" in order to satisfy the formality of 3 letters. This is for your information only and no further action needs to be taken.

Kind regards,

Robbie
